SeamlessHRMS

One Platform To Streamline Your HR

SeamlessHR

Africa's Leading HR and Payroll Software

SeamlessHR at a Glance

SeamlessHR is an HR technology company focused on helping businesses in emerging markets become more productive and successful by deploying well-designed, world-class technology solutions.

Our eponymous product suite is a robust, cloud-based, end-to-end HR software that helps businesses manage all their human resource processes. We cater to companies of various sectors and sizes, from SMEs with fewer than 100 staff to large enterprises with over 10,000 employees.

Our Product Suite

Organise your HR processes efficiently with our software that ensures automation from recruitment to exit.

HRMS

SeamlessHR lets you automate routine, time- wasting HR processes so you can focus on other strategic tasks that matter.

Recruitment Management System

Filter and sort candidates, create recruitment workflows, push them through an intuitive Applicant Tracking System (ATS) and do so much more.

Breeze

Simplify your salary and wage disbursement and connect your workforce to a marketplace of financial value-adding services.

Human Resource Management System (HRMS)

HR Information System

Sync employee information across HR functions.

Employee Self Service

Give employee to manage leave, requisitions, etc from any device.

Payroll Management

Automatic payroll calculations for an error-free payroll run.

Performance Management

Create appraisal cycles, manage performance check-ins, appraisal periods, and do so much more.

Recruitment and Applicant Tracking System (ATS)

Hire the best with collaborative feedback from your stakeholders.

Leave Management

Leave management with a streamlined workflow that helps you manage all leave requests

Employee Onboarding

Help your new hires settle in faster with a customisable and trackable flow of onboarding activities.

Time and Attendance

Monitor employee attendance with your T&A device. Connect that data with payroll. Track everything in one place.

Requisition Management

Save time and enjoy an easier way to manage employee requisitions.

Human Resource Management System (HRMS)

Reporting and Analytics

Customised dashboards and all of the relevant HR reports you need for better decision making.

Competency Management

Create an inventory of all competencies, assess employee competencies, perform gap analysis, and more.

Employee Loan Management

Automatic payroll calculations for an error-free payroll run.

Learning Management

Plan custom training programmes that support employee and organisational needs

Survey Module

Get meaningful data to drive smart business decision making, monitor employee satisfaction, and uncover issues affecting organisational well being.

Exit and Offboarding Management

Deliver a smooth and professional offboarding process to exiting members of staff.

Human Resource Management System (HRMS)

Disciplinary Management

Manage company policy violations, investigate them, administer warnings and disciplinary actions.

Redeployment Management

Effectively manage employee mobility within or outside your organisation.

Promotion Management

Keep tabs on everything promotion related and never miss another promotion due date again.

Breeze

Simplify your salary and wage disbursement and connect your workforce to a marketplace of financial value-adding services.

Mobile App

Whether you're making requests or approving them, you can access everything HR on the go.

Breeze

Run payroll on SeamlessPayroll, disburse payments on BreezePayer

Easily disburse salaries to individual employee accounts, pay vendors and remit statutory payments.

Disbursement

Get the convenient and affordable funding you need to purchase inventory, manage, operate or scale your business, and also guarantee payday to employees.

Business Credits

Breeze payer

With BreezePayer, your staff can easily access their salaries before payday to manage financial emergencies more readily and at a lower cost.

Earned Wage Access

Help your employees achieve financial freedom with easy access to loans with competitive interest rates, as well as convenient and straightfor ward repayment plans.

Employee Loans
